About Us

A young but promising and flourishing College, Government General Degree College, Mohanpur, Paschim Medinipur began its auspicious journey in the year 2015. A stately initiative of the Government of West Bengal with the noble objective of ensuring quality education for the students of the rural and semi-urban areas of Mohanpur and adjoining locality the college is built to meet the aspiration of having an institute for higher education for the local people. With five academic departments the college started functioning in the temporary locale of a building in the Mohanpur High School premises. The new campus is located in a beautiful scenic environment at Sialsai by the side of the Khakurda--Mohanpur Road. Although it is at its juvenile state, the college, since its very inception, has committed itself to the goal of unearthing the latent possibilities of the students of the locality by imparting quality higher education and providing scope for extra-curricular activities with its dedicated faculty members, and well-equipped supporting and administrative staff by confirming every possible support from the local administration. ACCREDITED B+ IN NAAC (FIRST CYCLE)
